I AM YOUR
STAR
FOR THE **CRAFT**

„Your varied partner for universal use.
GET YOUR STAR – NSG uCLEAN!”

The new Starmix vacuum cleaner series NSG uClean

PROVEN

★ Automatic pulse filter cleaning and appliance socket

YOUR BENEFITS:

- clean filter for optimal workflow and work results
- time savings due to the automatic ON/OFF switch for electric power tools

POWERFUL

★ High speed engine

YOUR BENEFITS:

- up to 20 % more performance
- clearly higher volume flow and vacuum with the same wattage
- working life > 800 hours

INTELLIGENT

★ SMART STOP – 1 part, 3 functionalities (20l and 32l appliances)

YOUR BENEFITS:

- locking brake for a stable parking position (on sloping surfaces as well)
- handle for an easy emptying of the container
- underrun protection with ramp function for the easy overcoming of obstacles

COMFORTABLE

★ Ergonomics & features

YOUR BENEFITS:

- ergonomic handle, optimal for winding up the hose, one-handed transport is possible
- hook for an easy cable collection with plug locking
- up to 6 storage positions for wobble-free fixation of the equipment
- larger storage space for tools and small parts
- quick and simple replacement of the power cable (two screws)
- 2 parking positions for nozzles
- easy handling by rocker switch

INNOVATIVE

★ Blowing function

YOUR BENEFITS:

- vacuuming and blowing possible in one step, e.g. for blowing dirt out of edges or scratches
- up to 215 km/h strong air speed

VACUUM CLEANERS FOR CRAFTSMEN

NSG „uClean“ series

New technology and clever details

The NSG „uClean“ series is based on the demanding Starmix niveau of technology and quality „Made in Germany“. The aim of Starmix was to develop a universal vacuum cleaner, which sets new standards in achievement, ergonomics, comfortable service and working joy by intelligent details. The result: ergonomic, attractive design with many delighting features!

High-speed engine
with up to 20 % more
performance

Hose fixation
the best hose fixation
on the market

Blowing function
up to 215 km/h
strong air speed

**Electromagnetic
filter cleaning***
fast and thorough

High-quality containers
up to 20 % more net volume
and impact-proofed transport walers

**Improved accessories
storage**
complete accessories fixable
on the vacuum cleaner!

SmartStop*
(1 part, 3 functions)
- brake
- ramp
- handle for container emptying

* Only for selected vacuum cleaners

Starmix Quality

Made in Germany

VACUUM CLEANERS FOR CRAFTSMEN

starmix safety vacuum cleaners

★ The best vacuum cleaner for every mission

★ Dust class L (light)

These dusts have an occupational exposure limit value (AGW) of $> 1 \text{ mg/m}^3$. The filter material of vacuum cleaners of dust class L is tested. The maximum particle penetration grade is less than 1 %.

- There are no special disposal requirements.
- It is not required to measure the air speed.

★ Working with starmix: many options, many advantages

Next to the avoidance of dusts in the ambient air starmix vacuum cleaners provide many further benefits.

Only a few examples:

- Easy and self-explanatory handling.
- Protect electric power tools against extreme pollution.
- Easy work preparation, because foreclosure or housing is barely necessary.

Appliance socket

with switch-off electronic

ADL and ARDL vacuum cleaners

A-position of the switch: when the electric power tool is switched ON/OFF, the vacuum cleaner automatically starts or stops as well.

- ★ workload is reduced, because the vacuum cleaner must not be switched ON/OFF separately.
- ★ the vacuum cleaner runs only as long as it is really necessary, which saves energy.
- ★ increases the maximum reach significantly.

Automatic filter cleaning

only ARDL vacuum cleaners

 -position of the switch: when switching on the electric power tool, filter cleaning will start automatically.

- ★ The filter control light lit up when the filter is clogged and the filter cleaning will start after switch off the electric power tool.
- ★ After the filter cleaning there is a constant high volume flow.
- ★ Significantly reduced system costs due to a longer filter life.

VACUUM CLEANERS FOR CRAFTSMEN

NSG „uClean“ series

For craftsmen

Electric power tool vacuum cleaners for universal use in industry, workshop or on the construction site. For work with electric power tools and installation work with low or normal dust emission.

substances. With double dust intake as FP 3600.

Special NANO coated cellulose material with outstanding
separation efficiency. **Suitable for devices without
vibrating function.** Art. no. 400686

Product tester

Tested and found to be very good

The NSG „uClean“ series is your universal partner in everyday work. It doesn't matter whether you are doing installation work with concrete, stone and cement on the construction site or for work with electric power tools in the workshop: uClean is perfect for work with low and middle dust emission and non-health endangering dusts.

Your colleagues have tested the NSG „uClean“ intensively and they are impressed:

middle dust emission

Wolfgang D. about the NSG uClean ADL-1420 EHP:

„The uClean is small, light and handy. Even perfect for works on the roof truss. Ideal for the cleaning of larger surfaces, corners, joints, but also for smaller jobs with the electric power tool.“

Tim K. about the NSG uClean ARDL-1432 EHP:

„With the uClean it is finally possible to store all the accessories on the vacuum cleaner. No wobbliness or falling over any more, and the carry handle is superb. The journey to the building site can sometimes be long and up steps, but this makes it much easier.“

VACUUM CLEANERS FOR CRAFTSMEN

Complete product range of Starmix

Innovative top products under one-roof

Vacuum cleaners, hand dryers and hair dryers with the most modern technology are the basis of our production. For starmix it is very important to present innovative products for efficient, dust-free work and contemporary hygiene.

FOR CRAFT

FOR CLEANING

FOR SANITARY

Documents for the **craft**

The wet/dry vacuum cleaners of the ISP, ISC and NSG series offer persuasive solutions for all duties in craft, business and industry.

Documents for **cleaning**

With starmix cleaning vacuum cleaners there is the optimal solution for every range of application: no matter whether in the private sector or for the professional wet/dry cleaning.

Documents for **sanitary**

The broadest range of comfortable, powerful and economic hand dryers, hair dryers and selected hotel accessories.
