

EXTENSIVE OM4 PORTFOLIO

WITH ADAPTORS AND CABLES IN VIOLET

Different colours for different fiber optic connectors and adaptors make working life easier. Users can identify the fiber type and so they know about the performance of the optical link at a glance. Connectors and adaptors for multimode fibers of category OM4 in practice are preferably used in violet. The color black for multimode fibers listed in old versions of DIN EN 50173-1 has been

omitted in the 2018 version. For this reason, Telegärtner offers the entire portfolio consisting of patch cords, connectors and couplings in shunting and DIN rail distributors as well as FanOut modules for multimode fibers of category OM4 in violet, thus supporting the new market standard for this fiber class. Black versions are still available via the TICNET configurator.

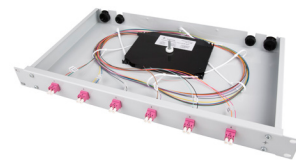

FO PATCH PANELS

Technical Data

Patch Panel 19", 1HU versions Basis V, Basis eco, Profi V, Profi eco

Adaptors, Pigtails Housing color violet, Adaptors mounted, panel pre-loaded with pigtails stripped ready-to-splice

Delivery Pigtails stripped ready-to-splice

Basis eco 6xLC Duplex

Basis V 12xSC Duplex

Order no.	Housing	Adaptors	Pigtails

FO PATCH CORDS

Technical Data

Connector LC Duplex and SC Duplex, Housing color violet

Fiber / Cable 2x G50/125 2,8x5,7mm for LC and SC Duplex;
2x G50/125 2,0mm for LC Duplex Uniboot,
Cable color: violet

The new Uniboot patch cords simplify use at high and very high packing densities thanks to their pull- and push-in straps as well as their highly flexible 2 mm cables.

Patch cords, 2G50/125 OM4

Order no.	Connector	Length
L00870A0026	LC Duplex - LC Duplex	1.0 m

FANOUT-MODULES

Technical Data

ready to install in 19" FO module carriers 1 HU and 3 HU

Adaptors, Pigtails Housing color violet, Adaptors mounted, panel pre-loaded with pigtails stripped ready-to-splice

Delivery Pigtails stripped ready-to-splice

Order no.	Description	Adaptors
H02050F4071	FanOut Module	6 x SC Duplex
H02050F4171	FanOut Module	6 x LC Duplex
H02050F4271	FanOut Module	6 x LC Quad

ODB54

Technical Data

ready to install for wall mounting with IP54

Adaptors, Pigtails Housing color violet, Adaptors mounted, panel pre-loaded with pigtails stripped ready-to-splice

Delivery Pigtails stripped ready-to-splice

Order no.	Description	Adaptors	Pigtails
H02050A0352	ODB54 SC-D	6 x SC Duplex	12 x 50/125 OM4
H02050A0353	ODB54 LC-D	6 x LC Duplex	12 x 50/125 OM4
H02050A0354	ODB54 LC-Q	6 x LC Quad	24 x 50/125 OM4

MODULES FOR FO DISTRIBUTION SYSTEM

Technical Data

ready to install in 19" FO module carriers 3 HU

Adaptors, Pigtails Housing color violet, Adaptors mounted, panel pre-loaded with pigtails stripped ready-to-splice

Delivery Pigtails stripped ready-to-splice

Order no.	Description	Adaptors
H02053H0165	FO Module 3 HU / 7 PU	6 x SC-D with Pigtails
H02053H0166	FO Module 3 HU / 7 PU	6 x LC-D with Pigtails
